

BEST PRACTICE

Title of the practice :-Innovation club Skill Development

OBJECTIVE: -

The college and university curriculum provides theoretical knowledge and partially about practical scenario. Practical knowledge enhancement can be done by such Academic – Corporate Interface which is immediate requirement of industry in current era. Innovation club provides training on such practical aspects and knowledge to the students to compete in this world of globalization and facilitate development of the skills among the students to stand independently in the competitive world.

Context :-

Gov. Of Gujarat & KCG (Ahmedabad) launched innovation for Co-Development of students for jobs and self employment. It is an initiative launched in 2022 by the Education Department – Government of Gujarat with an aim to increase the employability quotient of the students. It was observed that students, though intelligent and technically sound, are unable to impress the industry and company when they come for recruitment.

Practice :-

Training was conducted at Arts College fatepura for students under 'Parbodh Training' during 06th Feb 2023 to 9th Feb. 2023 Trainer Mr. Kalpesh Solanki gave training of mechanical and electronics knowledge. The training timing was 9.00am to 1.00 pm. This innovative teaching and learning process was well appreciated by the students.

Evidence of success:-

69 students participated in it. They learn use of various mechanical and electrical kit

Problems encountered:-

It was difficult for arts students to learn mechanical and electric works

Notes:- Overall it was successful training for the students.

SUB:- Atpprerician letter for STEM Robotics and drone training

This si atppreciantion letter that KALPESH SOLANKI

From STEMbotix has completed sessions of STEM, Robotics and training at K.B.M.ARTS COLLEGE FATEPURA.
The method of teaching is very simple and useful to implement.

His method of teaching is very interesting and easily understandable. Teacher and students found it easy to interact with him. The exercise given to us during training period were well thought out & we are able to bring out development prototyping, gears ,structure and aviation technology.

This letter is given for his/her appreciation for the training where found him her to be very good & useful resource foe this STEM, robotics and Drone training & he/she was able to solve our queries in a very simply way.

We appreciate his efforts & give the best wishes for his/her future.

THANK YOU

Sincerely
